Facilities

Two paved **Auto Tours** provide main access to monument. The Harpers Corner Scenic Drive is closed January through mid-April. Most other routes are primitive, gravel roads and impassable in winter or when wet. Passenger cars can navigate a few gravel roads when roads are dry. Inquire at visitor information areas for current road conditions.

Popular **things to see** while visiting Dinosaur National Monument include fossils, petroglyphs, pictographs, scenic vistas, and historic homesites. For more information about Dinosaur National Monument, visit our website at www.nps.gov/dino.
